The Op-Note is the newsletter of the Peri-Operative Surgical Home, a multi-disciplinary project at Phoenix Indian Medical Center. Check POSH out on the web at http://azhin.org/pimc/posh.

POSH HAS A NEW IMAGE!
We are excited to introduce the new POSH image! This image will appear on our website and educational materials as we move forward.

The next POSH lecture series is about to begin! Essentials of Hernia Surgery and Ventral Hernia Recovery Pathway

And we are excited to announce that we have CE for this lecture not just for providers and nurses but for dieticians and pharmacists! Mark your calendar now for one of these dates – all to be held in Conference Rooms A & B.
