And the winning caption is:
Wound team with your nose/eyes so bright, won't you guide my sleigh tonight?

Congratulations to Dr. Laura Tillman, who has won 2 boxes of Girl Scout cookies of her choice! And thanks to Dr. Carman and Shoba for being such good sports! We also thank them both, and Sue Brown, for their always-positive attitudes and inspiring dedication to their patients. PIMC’s wound service is an awesome program and one of the many reasons PIMC is a great hospital! Thank you to the wound service!
